Floyd Factor is extremely pleased and very fortunate to announce the addition of veteran Toronto guitarist/vocalist Sam Boutzouvis to the band. Sam is a fellow-Floyd-freak whose brilliant command of David Gilmour's style and effects comes from decades of Pink Floyd appreciation and covering the material himself. Sam has performed and recorded with The Antlers, Ronnie Hawkins, The Mo Vista Trio, and many others. He's a multi-talented player, who also adds his great harmony & lead vocal talents to the FF show. The band can't wait to unleash him for the first time on the Floyd fans of Oshawa, as Floyd Factor appears in The Pink Floyd Show at Regent Theatre Oshawa, Sun. Dec. 27th. See the Live Dates page for more info.

The band also wants to pass our undying thanks and best wishes to departing member & friend Rob Sparrow, whose contributions over the past 9 years cannot be over-stated.
