

Sam Boutzouvis - Many Guitars, Vocals

A 30+ year veteran of the live stage, Sam is originally from Ottawa and he's always been a massive Pink Floyd fan. Their music has inspired him, and Sam has been busy being inspired, as evidenced by his amazing guitar and vocal work with Antlers (with Terry Watkinson and Mike Tilka of Max Webster), Mo Vista, and Elton Rohn, and many more in the past. Sam has also appeared on albums by Watkinson, Ronnie Hawkins and other recording artists. A man of many talents, he's what you might politely call a "guitar gear enthusiast", and has an impressive array of vintage and high tech wizardry in his effects rack(s).
