

September 2016, Dylan Bell joins Floyd Factor

Floyd Factor is proud to announce our newest addition to the family, Mr. Dylan Bell. Dylan has boarded the Floydian ship to bring his masterful impersonation of Rick Wright's keyboard artistry to the band. He's also a multifaceted, Juno-nominated musician, composer/arranger, music director and producer/engineer. Dylan's diverse background includes work with groups ranging from vocal jazz, pop to eclectic jazz, world music to classical, to flat-out rock & roll having worked with Honeymoon Suite. He's played stages across the world including his native Toronto, Stockholm, Sweden, Calcutta, India and all points in between.
