

Andre ('Dre) Filippetti - Guitars, Vocals

'

Dre, a founding member of Floyd factor, is a lifer Pink Floyd nut who has played in numerous original & cover acts in the Toronto area over the past two decades. He has an extensive recording portfolio, from commercial jingles to albums, and has performed/worked with some of Canada's best (Ron Sexsmith, Terry Brown, etc.). Andre delivers the amazingly uncanny Rogers Waters vocals in FF's show, as well as some brilliant guitar solos that often inspire audiences to spontaneously applaud! His attention to detail, and wonderful addiction to vintage gear, are a big part of what sets the band apart. The Floyd Factor project has been the realization of a long held dream of Andre's, as he has been a dedicated follower of Pink Floyd for many years, and knows virtually every note the band has ever recorded.
