

Frank Peluso - Drums, Vocals

Frank Peluso is a 20+ year veteran of the Toronto live music scene, and was the original drummer in Floyd Factor (circa 2006), prior to a nasty injury involving a ladder, a collarbone, and gravity. But he's back 100% and this is awesome news for fans of the band! As some of you will remember, his truly phenomenal energy on the drum kit is world-class, not to mention his sublime skills and fantastic vocals. Frank has played & recorded with too many to list here, but he's also a pro photographer and web designer, who you could conservatively refer to as an "audiophile." He grew up with Pink Floyd's music, has seen the tours, and after years of study he brings the style of Nick Mason at his peak powers to every FF performance. All we can say is welcome home,... home again,... Frank!
